

Repost- Notice of the LCA

Slalom, Inc. is seeking approval of a labor condition application for one worker in the position of Engineer, Quality Engineering from 10/01/2023 – 09/30/2026. The worker will be employed at our office in Boston, MA. The worker will also occasionally work from their home office located in Watertown, MA. The worker will earn \$106,000- \$126,000 per year. The occupational classification for this position is based on U.S. Department of Labor OES data for O*Net/SOC Job Code 15-1253.00, Software Quality Assurance Analysts and Testers.

The labor condition application relating to the worker is available for public inspection at Slalom, Inc.'s principal place of business: 255 South King Street, Ste. 1800, Seattle, Washington, 98104, United States.

Complaints alleging misrepresentation of material facts in the labor condition application and/or failure to comply with the terms of the labor condition application may be filed with any office of the Wage and Hour Division of the United States Department of Labor.

Published electronically through our external web site to which employees and clients have direct access.
